All members receive a bimonthly magazine and email blasts. Our annual Membership meeting is held in March of each year, and we typically host a winter and fall party to bring everyone together. All these things are made possible with your generous membership dollars and the volunteer hours of your neighbors.

In addition, Lauderdale Harbors also has volunteer opportunities at community events around Fort Lauderdale that earn dollars for the neighborhood. It is also a good way for students to get Community Service hours. **For more info or questions about anything, the board members can be reached via email at: lauderdaleharbors@gmail.com.**

Your membership is voluntary, but we do hope you will join us. It is a great way to be part of this special community. If you should choose not to join, please at least register your email so we can get important information to you.
